

HOSPITAL DISINFECTANT WIPES

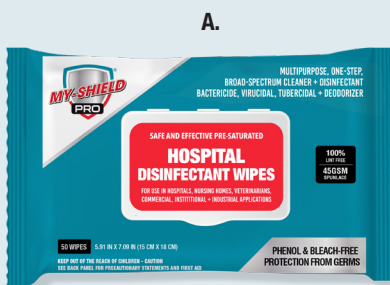

Formulated and enhanced with
Zetrisil®

Repeated use of My-Shield Pro Hospital Disinfectant Wipes is clinically proven to control and kill harmful bacteria, viruses, tuberculosis and noro virus in less than 3 minutes. Perfect for all your surface hygiene applications needs. For hospitals, health care facilities, dentistry's, veterinary, nursing homes, restaurants, schools, gyms and any commercial workplace.

My-Shield Pro Hospital Disinfectant Wipes are formulated with "Zetrisil" a propriety compound proven to be less harmful to expensive specialty medical equipment as compared with currently used medical grade disinfectants. These low-cost, high-quality wipes are available in many convenient and easy to use packaging and tub refill options.
